

WinGS (Women in God's Service)

Our April Bible study will be held on Tuesday, April 5 and will begin at 7:00 (note the time change) and will be led by Cindy Widhalm. We will begin on page 43 of our book Living Victoriously in Difficult Times. Donna TeSelle will provide the lunch. ,

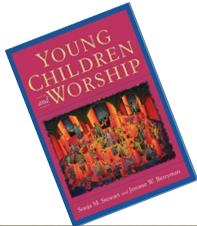

Thank you so much for all the wonderful donations to the Norris Area Food Pantry.

They are very grateful for our continuing support.

Our mission project for April is St. Gianna Women's Home, where they assist women and their families with a safe and secure environment, and help them become self-sufficient. They are in need of diapers, especially size 5 and 6, cleaning products, and kitchen supplies (dishes, utensils, pans, etc.)

What happens on Sunday mornings in Children and Worship?

The time with the children begins with the storyteller showing the children where in the Bible that day's story comes from.

Then the storyteller shows the children the story using wooden figures and specially colored underlays.

The session always ends with some type of craft activity. This story was "Jesus Calms the Storm" so the children created a storm on the picture using raindrop stickers and cotton balls to make clouds.
