

# WinGS (Women in God's Service)

WinGS Bible study will be Tuesday, June 7. We will begin at 7:00, with our Bible study being led by Eunice Cramer. We will begin on page 55 of our book Living Victoriously in Difficult Times. Eunice will also provide the lunch. Our mission for the month of June is the church garage sale, which will be held Friday, June 3 and Saturday, June 4 from 8:00 a.m.-4:00 p.m. There will be a sack lunch of a pulled pork sandwich, chips and water available both days. Come find bake sale items and a plethora of treasures looking for a new home.

We need volunteers to help and to provide baked items at the sale both days. There will be a sign up sheet on the Information Desk to sign up for two hour shifts. You can also contact Cindy Widhalm at 402-560-5642 to volunteer. Come join the fun!

## UPDATE: JESSICA CRAFT GIRL SCOUT PROJECT

Jessica has been busy working towards her Girl Scout Gold Award. Her community service project is to partner with the American Legion Post #105 in Hickman to build a new Veteran's memorial. She is happy to announce that her goal of \$10,000 has now been achieved. These funds will cover the costs for about #500 special bricks, building materials, electrical lighting and labor. The bricks from Fairbury have already been delivered and construction should begin very soon. It will be completed later this summer or fall in time for a dedication ceremony on Veterans Day next November. Jessica wants to thank the many kind people from the Holland Church who supported her in this great effort. Many friends came forward with donations and contributions that have made this goal a reality. She especially wants to thank Mr. Gary Pence, who volunteered to be a member of her Gold Award Project Team.

Dear Holland Church,  
Thank you so much for donating lots of items, gas and restaurant gift cards for our families! Many of our families travel quite a distance to get the necessary services for their children and often spend several hours at the Child Advocacy Center. It is so important that we eliminate any burdens, so caregivers can focus all their energy on making sure their kids get the help they need, and it is your gift that allows us to do just that. Thank you again for supporting the kids and families we serve and for helping protect kids!

Sincerely, Destiny Burkett
