

Fun Times with Holland Church Friends

On September 14, over 70 people gathered in the church south parking lot to eat grilled burgers and dogs, along with all the sides, and to chat with neighbors. After eating, kids went down to the ball field to enjoy games set up by Gary Pence.

A good-sized group of Holland Church friends went miniature golfing on Sunday evening, September 18. The event was organized by Church Life. The group met for a light supper in the parking lot, then tested themselves on some pretty challenging mini golf holes.

A golf outing at Wilderness Ridge, organized by Gary Pence and Jerry Prange, took place on Sunday evening, September 25. Those golfing said it was a beautiful evening to enjoy time spent together.

The Strategic Ministry Planning Team would like to give an opportunity for those in our church family or in our community to share their talents. If you have something you would like to share, or if you know of someone whose talent you would like to learn more about, please sign up on the clipboard on the S.O.A.P. table display in the Fellowship Hall.

Sponsored Activities

December 4 Meal after
Congregational Meeting

Initially, when we placed the City Mission Toss Box
in our parking lot, we had to pay for it. We are paid
26 cents a pound for clothing that we
bring in, and because of this, the box is
now paid off. From now on, the money
we are paid will be given back to the City
Mission. The Toss Box has become a Mission
project for our church and community.

Please consider taking a turn to haul the contents of
the box into the Help Center. Sign up sheets for the
coming months are on the Information Desk.
