*Ephesians 4:24 and to put on the new self,
created to be like God in true righteous-
ness and holiness.*

As we think about the new year (2024) I pray that we recognize the relationship we have in Christ, blesses us with the daily reminder to put on Christ. To bear the image of Christ, to reflect Christ, to share Christ...so that all would come to Christ. Remember that God created us to be like Him. He made us in His image. He redeemed us through His Son so that we could "be Holy for the Lord thy God is Holy". It is His Holiness that declares what is right and good. It is His righteousness that we are to mature in and transform daily into.

This verse makes it a personal conviction and personal growth doesn't it? With it being personal, it is also not meant to be reserved only for personal purposes. God has brought us together, to be a part of a more complete body, with Him as the head. As the body, the bride of Christ, the church, we are to be witnesses into all the world. So that others may come and know the hope of renewal and purpose that comes from being in a relationship with Christ and included into a greater body and mission with great vision. God Bless you as you grow into this next year, closer to Christ and together with the Body, the Church

WinGSWomen in God's Service

Wings, our women's group, meets the first Tuesday of the month. We are very casual in our meetings, but we accomplish a lot during the course of the year. For example, for the past several years we have sponsored a different mission project every month, and are constantly amazed at the generosity of our Holland church family. We support Rocky Mountain High and 8 missionaries, plus a young boy in Haiti. We organize showers and funeral food. Our biggest fund raiser is a garage sale in June. We are also going to have a Soup-er Lunch in January or February to raise money to support new clergy trained by one of our overseas missionaries

(more information on that at a later date.) At our January meeting, we will be starting a new book, 1 Timothy and Titus: Fighting the Good Fight. Eunice Cramer will lead our study on Chapter 1. The title is "True or False?" Does that make you curious? Come join us! Books will be available that night, if you have not been able to pick one up at church prior to the meeting.

The WinGS mission project for January is the Nurse's Closets at Norris School in the Elementary and Intermediate buildings. The Closets are in need of new socks and underwear sizes 5+ thru 12. Also in the same sizes are needed new or slightly used sweatshirts, jackets, sweatpants and t-shirts. They can also use children's mittens and hats..
