Where you find family

2024

Like you, I can recognize the frustration of old habits/thoughts that need to change. Lets rely on God to renew our mind. His truth is battle plan that gives Victory because it comes from Victory. Where are your thoughts falling short of His life-giving truth?

1. *Remove the lie and replace it with truth.* Satan's weapon is the lie. We are vulnerable to believe a lie. God's counter is His truth. His truth gives victory.
2. *Create new trenches of truth.* Our brains have pathways or mental ruts, that we repeat in our thoughts. To stop unwanted behavior, remove the lie behind it and replace with biblical truth and create a new pathway that comes from victory in Christ.
3. *Change your perspective through prayer and praise.* When we are overwhelmed or when we've had enough, God is enough. Not only is God enough, God is near. Stay mindful of His presence. May it lead us to pray. Praying moves us to praising God. Praise leads us to worship Him because of the truth of who He is and what He has done. The Prince of Peace gives us peace of mind.

Remember, He made you. He will sustain you. He can carry you, strengthen you, and empower you to do what He's called you to do. God is more than enough. And nothing can separate you from God's love. Let God change your thinking. He will change your life.

For those who want to know:

How to be a member at Holland Church? What is Holland Church about? How can you help Holland Church?

Holland Church, thank you for your incredible support of Church Plant Sunday!

We raised over \$5,200! If you were not able to attend but would still like to make a donation, you can do so up until March 10. Please give your contribution to Cindy Widhalm.

From the missionary who works with the church planters:

We've had just in February another 2 people come to faith. Last year we had 31 as part of the Church planting network. Perhaps in Nepal this might be normal, but it is not in the U.S. and certainly not in the Muslim world. God is doing something in this time, and I'm so grateful that you are partnering in the mission. Your efforts mean that a Kurdish Christian family can live in an unreached Muslim location for 6 months.....just think of that. That is an amazing impact for the kingdom and I hope you all celebrate it!

You should be proud of all the work your group put into the event.

Grace,
R
