Holland Church

Where you find family

Jesus came and stood among them and said, "Peace be with you!" John 20:26 NIV

In John 20, we find the story of Thomas and his processing the doubt of the resurrection of Jesus.

Even though the disciples have seen Jesus (absent Thomas) and other followers were witnesses of the resurrected Jesus, the disciples continued to be encouraging and kind to Thomas. They welcomed him to wait and see, even though Thomas remained in his doubt, most likely because he was still working through the hurt of seeing Christ on the cross and but in a tomb. Jesus offered peace to Thomas and was present to help work Thomas through his doubt, by offering evidence.

Christ is not turned away by your doubts. May we recognize that Christ welcomes us to Him. May we encounter Christ and know that He can help us through our "daily" doubts. He takes our faith and fans it into a greater flame, when we take His invitation of peace and embrace the nail pierced hands, that pierced for your salvation.
